Sub: Introduction to "Chempro" Most User Friendly Quality Centrifugal Chemical Pumps.

We wish to introduce ourselves as a leading manufacturers and designers of "Chempro" Brand Chemical Pumps in SS-304; SS-316; Alloy-20 as Material of Construction. The "Chempro" Pumps are available with or without Mechanical Seals, from our Works and Head Office at Okhla, Phase-II, New Delhi.

"Chempro" Pumps have been **evaluated, inspected and approved** by some of the country's **renowned Consultants**, viz,

- 1) KBK Chem-Engineering Pvt. Ltd., Pune.
- 2) Food & Biotech Engineers (I) Pvt. Ltd., Faridabad.
- 3) Crest Biotech, New Delhi.
- 4) Gwet Aqua Management Pvt. Ltd., Ghaziabad.
- 5) Newcon Consultants India Pvt. Ltd., Ghaziabad.

Ours is a professionally managed Company with distinction to provide:-

- 1) **Best and most suitable Specially Designed Pumps** to meet your **exact specifications at most competitive prices.**
- 2) **Best After Sales Service**, the most unique feature of our organisation, which you must have observed, is inadequate and practically non-existent from most pump manufacturers.
- 3) **Prompt Deliveries** & adherence to committed deliveries.
- 4) **Technical Assistance** and supply of **Spares on demand.**

We have excellent **Machining, Fabrication & Testing Facilities**, housed at our "Okhla" works, which enables us to manufacture most steel components ourselves thereby ensuring full control on quality and deliveries which are very essential in meeting customer requirements of **Total Satisfaction**. The ever-growing confidence and support of our valued customers have prompted us to increase and enhance our production capacities.

We append here below some of our prestigious customers for your kind information:-

01. Uttam Sugar Mills Ltd., Barkatpur, Uttar Pradesh.
